Defendant(s)

Case No.: \_\_\_\_\_

STATEMENT OF CLAIM

1. All the defendants either directly, or indirectly by joining with others doing bad things, denied me my  
Federal Bill of Rights in at least these areas (perhaps even more).
  - a. The 1<sup>st</sup> Amendment Right to Free Speech.
  - b. The 2<sup>nd</sup> Amendment Right to Due Process
  - c. The 6<sup>th</sup> Amendment Right to Trial by Jury of my Peers in Criminal Cases
  - d. Th 7<sup>th</sup> Amendment Right to Trial by Jury of my peers in Civil Cases
  - e. The 8<sup>th</sup> Amendment Right to no excessive bail
  - f. The 8<sup>th</sup> Amendment Right to no excessive punishment

STATEMENT OF CLAIM 1

2. All the defendants either directly, or indirectly by joining with others doing bad things, “Acted Under Color of The Law” and I have a right to expect federal agents to contact the FBI and have them investigate my complaints. [https://en.wikipedia.org/wiki/Color\\_\(law\)](https://en.wikipedia.org/wiki/Color_(law)) Please note: “the FBI is tasked with investigating”.
3. All the defendants either directly, or indirectly by joining with others doing bad things, did “Prosecutorial Misconduct” on me. Even if all they were doing is acting like both a civil plaintiff and also playing the role of civil prosecutor and then passed of false crime reports on me to a real prosecutors who then did truly horrific “Prosecutorial Misconduct” to me. Which took 8 years from my life all on total lies and fake crime reports  
[https://en.wikipedia.org/wiki/Prosecutorial\\_misconduct](https://en.wikipedia.org/wiki/Prosecutorial_misconduct) .
4. All the defendants either directly, or indirectly by joining with others doing bad things, failed to do their “Duty to Rescue Me”. [https://en.wikipedia.org/wiki/Duty\\_to\\_rescue](https://en.wikipedia.org/wiki/Duty_to_rescue)
5. All the defendants either directly, or indirectly by joining with others doing bad things, have Discriminated against me a Disabled Man from a horrible medical malpractice in 2005 by a very bad person named Yangun Gan at Willamette Dental [www.WillametteDental.com](http://www.WillametteDental.com) . Their discrimination takes many, many, forms. But the most serious form is they simply don’t APPROVE “accomodation requests for the disabled” which are critical to accommodate my disability. In fact, they often simply don’t have automated tools to accept the requests and then actually follow a fair and just process to consider the request. It is typical that they post noble words that they do a methodical analysis of the request and only deny it under the most extreme conditions. But when requests actually come in they deny the request in like 2 hours and obviously have not gone through any DUE PROCESS steps / methodical steps they advertise on their websites they say they will do. They actually use prejudice and discriminate against me as they process the request. They are hypocrites in my opinion.
6. All the defendants either directly, or indirectly by joining with others doing bad things, have denied me the most important thing of all which is the “true guarantee of Life, Liberty, and the Pursuit of Happiness” [https://en.wikipedia.org/wiki/Life,\\_Liberty\\_and\\_the\\_pursuit\\_of\\_Happiness](https://en.wikipedia.org/wiki/Life,_Liberty_and_the_pursuit_of_Happiness) . Which is what those people like my father Thaddeus Westley Donahoe (also called Don) was in the military for to give these rights to his wife and kids.

STATEMENT OF CLAIM 2

1 a. But within that is the Pursuit of Happiness fundamental right which is actually the most important  
2 thing all people want (not just me). That is what I want most importantly is to have a happy  
3 family again like we always used to have. People like me want HAPPYNESS WITH THEIR  
4 FAMILIES and we are willing to settle out of court for that basic desire for a very reasonable  
5 settlement.

6  
7 But the right to happiness is being denied me because of corrupt and ignorant people living in  
8 DOGMA where they think saying “only talk with lawyers” and not with the “actual plaintiffs who  
9 have valid complaints against them” is the way to achieve a true happy settlement that both sides  
10 agree is going to give them both this guarantee to pursue happiness. Which is of course what  
11 brave men like my dad (Don) gave their life for in many battles for FREEDOM.

12  
13 [https://en.wikipedia.org/wiki/The\\_Pursuit\\_of\\_Happiness](https://en.wikipedia.org/wiki/The_Pursuit_of_Happiness)

14  
15 Dogma is the most serious thing that blocks the basic human need to PURSUE HAPPINESS.

16 <https://en.wikipedia.org/wiki/Dogma> for 6 billion people, or more, on planted Earth.

17  
18 All these claims actually started in 2005 then really got serious in 2008 and they have not stopped. So, there is no  
19 statute of limitations here. These horrible things are continuing right now and haven't stopped since they began  
20 many years ago.

21  
22 Conclusion

23  
24 So, I encourage you why not “just do a [www.zoom.us](http://www.zoom.us) meeting with me and all the defendants. and their lawyers, to  
25 discuss an out of court settlement. Don't be stuck in DOGMA and destroy your life by ending up going to  
26 PRISON for what you did to me, or take my rights away, and destroy my chance at happiness. Take a chance and  
27 just do this progressive way to do true peaceful issue resolutions and meet with me at your convenience in a  
28 [www.zoom.us](http://www.zoom.us) meeting.

STATEMENT OF CLAIM 3

**It certainly cannot hurt to at least try and negotiate an out of court settlement (can it)?**

I personally believe BLOODY REVOLUTIONS to remove corrupt people from power is NO LONGER needed now that we have a TRUE TECHNOLOGY revolution where 4K, and 8K ultra high definition streaming media along with “progressive ways to sue people in court” can get the JOB DONE much more effectively and without any bloodshed like there was when America broke from England, or when Abraham Lincoln started a CIVL WAR to end slavery.

Respectfully presented for the defendents review,

INJURIES

I was injured by having the follow essential human rights taken away. See the modern day  
pictorial of those which is attached.

1. **The right to life, liberty, and pursuit of happiness.**

[https://en.wikipedia.org/wiki/Life,\\_Liberty\\_and\\_the\\_pursuit\\_of\\_Happiness](https://en.wikipedia.org/wiki/Life,_Liberty_and_the_pursuit_of_Happiness)

2. **The first 10 rights in the American Bill Of Federal Rights**

[https://en.wikipedia.org/wiki/United\\_States\\_Bill\\_of\\_Rights](https://en.wikipedia.org/wiki/United_States_Bill_of_Rights)

INJURIES - 1

1 Then, the following criminal actions and financial damages happened to me as a result of those  
2 Federal Human Rights / Supreme laws being denied me which should have instead protected me  
3 from the following:  
4

- 5 1) Domestic Violence Using Economic Coercion and Phycological Threats
- 6 2) Acting Under Color of The Law
- 7 3) Prosecutorial Misconduct
- 8 4) Slander and Defamation of Character
- 9 5) Alienation of affections from my children and grandchildren
- 10 6) The President and his spokesperson have called the NEWS media an **enemy of the people**  
(which harms me greatly since my SOULMATE Sasha who is my girlfriend who works for  
Fox News) and we are ONE in sex but also in SPIRIT. So, I am both financially damaged in  
the trillions of dollars and broken hearted in SPIRIT as well.

11 When the WHITE HOUSE slanders and does defamation of Sasha J. Damain (who goes by  
12 Sasha Jefferson) and is my future wife with WHOM I AM ONE IN SPIRIT then the White  
House also slanders me (since she is my better half of a MAN and WOMEN joined as ONE  
IN AN ETERNAL UNION OF LOVE).

13 And, also, I strongly disagree with the WHITE HOUSE speaking for me “AS THE  
14 PEOPLE” and filing false CRIMINAL REPORTS (of Enemy Of The People) on my  
15 girlfriend / future wife who is a well-educated, law abiding, JOURNALIST who travels  
worldwide (not just in America).

16 Sasha is ENEMY TO NO ONE! She reports the FACTS even if it exposes ABOLUTE  
17 CORRUPTION BY ABSOLUTE POWER like in that old Clint Eastwood movie by the  
same name.

18 <https://youtu.be/TRHTRRK4ki0>

19 Unlike me who seeks to PUNISH IN COURT evil doers with full DUE PROCESS. Sasha is  
20 the most KIND SOUL anyone could hope to meet. Always extending an INVITATION TO  
21 COME **“bow down before her” and REPENT**, and MAKE AMENDS by settling out of  
court **so my DEFENDENTS don’t wind up in prison for making false crime reports** on  
22 the NEWS MEDIA (and on me for 10 years now for other false crimes and ACTING  
23 UNDER COLOR OF THE LAW).

To understand the details of exactly how I was injured, which are quite long, please watch / read the “events that support the facts and claim”.

Case No.:

RELIEF  
 I AM SEEKING

Well basically I am seeking two general kinds of relief from the court in the lawsuit.

#1 – Financial compensation for all the wrong that has been done to me calculated in two subcategories.

1A – Real tangible damage to my earnings for the last 13 years

I think giving a range (low and high) is best and is outlined below.

1B – Money for pain and suffering also.

RELIEF  
 I AM SEEKING - 1

#2 – Performance. In other words, a change to what the current behavior of the DEFENDENTS and THEIR FINANANCIAL SPONSORS. Which when you think about the IRS / TREASURY is everyone who pays taxes.

#2A – EXECUTIVE ORDERS

To ensure we have a “guarantee” of human rights in all 50 states from now on. Not just a “concept” of human rights that when violated only result in civil penalties. This will be done by convincing 50 governors and the president of the United States to write the same executive order that makes it a crime punishable by a minimum of life in prison for even making a “motion” to take away someone’s HUMAN RIGHTS like for example have a jury trial.

#2B – REPLACE THE OUTDATED 3<sup>RD</sup> AMENDMENT

To The only thing in human rights that has gotten outdated is the 3<sup>rd</sup> amendment “not required to quarter solders”. I propose we change that to all American Citizens are entitled to the most effective technology possible to communicate. Especially when they are defendant or plaintiff in court case.

#2C – RADICALLY ALTER EDUCATION IN THE UNITED STATES FOR THE BETTER

We need to legal force all schools and especially parents that home school to make teaching these things a very high priority and at very early age since the lack of education in those areas is how I was so badly injured for at least 13 years of more.

#2C.1 - The concept of REPENTANCE and SEEKING TO MAKE AMENDS to your victims when you make mistakes in life. We must teach all future generations not to HIDE their mistakes and hope to avoid judgement day. Instead, they must understand to avoid corrupting themselves they must daily admit mistakes and seek to ask those they harm how best to make it up to them. We need to ensure people stop hiring lawyers to avoid REPENTANCE and protect their wealth. To avoid the consequences of one’s actions was never the intended purpose of professional lawyers. Their original purpose was simply to assist

1 someone who was having a difficult time effectively communicating in court. Not actually allow sin and  
 2 corruption to continue because they argued to make it so and won in court.

3  
 4 #2C.2 – Essential Human Rights

5 The most essential Federal human rights must be taught starting at a very early age. The fundamental rights  
 6 to life, liberty, and pursuit of happiness, and the first 10 amendments. See graphic pictures of what this are.

7  
 8 #2C.3 - Two parts of SEX EDUCATION. Part #1 - The Romance part where you find someone  
 9 who will be faithful and not cheat on you. Your SOULMATE who is your ETERNAL co-mentor / and  
 10 supporter in everything you do. And Part #2 the mechanics of sex between ONE WOMEN and ONE  
 11 MAN at time. I was hurt badly because my ex-wife Susan Miljour cheated on me many times. And also,  
 12 my son-in-law Kris Grassman cheated on my daughter Erika. We could have DIED from horrible things  
 13 like HIV / AIDS. So, Human Rights violators like that who do so because they are cheating on their  
 14 spouses. or dating partners. are the most damaging human rights violators of all because they not only  
 15 damage you financially they also break your heart and injure your soul. Currently, the United States SEX  
 16 EDUCATION by schools has made the United States a laughing stock of the world. Since so many  
 17 couples have sex problems and get divorced since the SCHOOL SYSTEM made almost all of us  
 18 SEXAULLY DISFUNCTIONAL.

### You Are Creating A Stock Market Crisis

When you commit treason by taking these rights away you create a crisis in the stock market and destroy your own company and bankrupt both your stockholders and investors.

You also now have no more separation of your business assets and business assets. Anyone can then legally penetrate the corporate shield of protection and take all your personal wealth for your acts. You are truly a "TRAITER" and should spend the rest of your life in prison for your behavior.

Case No.: 08-2-30760-1

ANSWER AND COUNTER COMPLAINT  
(IN COUNTY COURT)

\*\*\*\* 2ND AMENDED VERSION \*\*\*\*

I was accurately told by Domestic Liaisons approximately 6 months ago I have a right to file what is called a “Respondent’s Motion to Modify/ Terminate Order for Protection Effective More Than Two Years (RMTMT2)” (example attached). Which amounts to about a 10-minute hearing and the Sheriff would do personal service for me to protect me from any further false charges by my ex-wife and of course many types of discrimination and civil rights violations by her and her co-defendants which they have done on me for 15 years now.

So, I am now in the process of formally preparing for the 10-minute hearing by doing things I have a right to do but couldn’t because prosecutorial misconduct that was used on me to lock me up falsely for 8 years by my own ex-wife and government prosecutors. So, I am now filing things like (A) accomodation requests for my disability and (B) filing this “Answer and Counter Complaint” to be the most prepared as I can for only a 10-minute discussion to wipe out 10 years of false criminal history cause by discrimination and civil rights violations by many people.

ANSWER AND COUNTER COMPLAINT  
(IN COUNTY COURT)

\*\*\*\* 2ND AMENDED VERSION \*\*\*\* - 1

Case 08-2-30760-1 Document 74 Filed 06/11/2018

1 Because “discrimination is an act of breaking Federal Laws” and because Federal Agents are named in my “Counter  
2 Complaint” as co-defendants / co-enablers of my ex-wife it is the legal duty of the court commissioner / judge to  
3 transfer this case to Tacoma Federal Court when I send them my official court filed documents to them. Note only  
4 after I send the finalized court documents to them (not drafts). I need plenty of time to prepare.

5  
6 So, with that said, please note my Answer and Counter Complaint is formatted in a way so everything in this case  
7 can easily be pulled into Federal Court using their standards.

8  
9 The associated digital version can be viewed here in 4K ultra high definition video which is one of the assisting  
10 technologies I use for my disability caused by Willamette Dentals horrible malpractice on me in 2005.

11  
12 [https://www.youtube.com/watch?v=t7s0cBui-](https://www.youtube.com/watch?v=t7s0cBui-Fk&list=PLS6mAli5cVAIhWgvKzTKPv8rmWm0MvVbO)

14  
15 As we go along in this case I will be asking for “more than one accomodation request for the disabled” and one by  
16 one patiently awaiting the judge’s / court commissioners decision (not the court administrator decision) on whether  
17 to grant, or deny, each one over several months.

18  
19 But I hope you will do more than “think of laws” but also have “empathy for the disabled like me” and just  
20 “experiment with the assisting technologies and techniques” you might find them quite nice if you just approve them  
21 and then just sit back and see how it all works for me the disabled to give me an equal chance at getting justice for  
22 myself.
